**RULES FOR
VOTING ON APPLICANTS
FOR THE
FORT WAYNE CATV FRANCHISE**

1. The franchise shall be awarded by majority vote of the Fort Wayne Common Council.
2. The question shall come up for vote when it has been moved, seconded and the motion supported by a majority of the members of the Council.
3. The Chairman of the Cable Television Committee of the Common Council shall preside over the Committee meeting in which the vote is taken and shall report the recommendation of that Committee to the Common Council in full formal session.
4. All committee votes shall be by written ballot. The City Clerk will distribute a ballot to each member prior to a vote. Each member will sign his or her name at the bottom of the ballot and the City Clerk will collect all ballots and read each one aloud for the official tally.
5. On the first ballot, each committee member must list those two applicants which that member considers best meets the criteria listed in the ordinance. When all ballots are tallied, the two companies with the most votes will constitute the slate for the final ballot. If there are tie votes for first and second position, those ties will also be included in the slate and the members will again vote for two of the companies on the slate, in order to establish which two applicants will be voted upon.
6. If the second ballot results in tie votes, the committee will vote on the ties only. Each member will rank the companies 1, 2, 3 and the company or companies with the lowest score(s) will complete the slate.
7. When the slate consists of just two applicants, each member will then cast a ballot for just one of those companies.
8. The applicant receiving five or more votes will be awarded the franchise.
9. In the event the remaining applicant fails to receive five (5) affirmative votes at the conclusion of the selection process, the Council will then reconvene as a Committee of the whole and resume deliberations, after which the Committee will reconvene in full formal session and again attempt to arrive at a consensus of at least five (5) favorable votes.
